Forwarded through the Chief Engineer,Pub-lic Works Department, (General), Madras.

2. A reference is invited in this connection to item No.1 of the explanatory remarks appended to Budget proposals forwarded to the Chief Engineer in this office letter No.3397 W/55-1, dated 30-9-1955. In respect of Mangalore Water Supply Scheme (Netravathi Source) a sum of Rs. 20 lakhs has been provided in the Revised Estimate for 1955-56 as against the original provision of Rs.12.00 lakhs already made in the Budget Estimate for 1955-56. A sum of Rs.11,36,300 has been provided as grant for this scheme for the year 1955-56 . For the year 1956-57 a provision of Rs.20.00 lakhs has been made in respect of this scheme and the same amount provided as grant. The Municipal Council has now applied for sanction of a grant of Rs.12.00 lakhs for its Water Supply Scheme for the year 1955-56. The question as to what grant is required for the scheme during the current year can be decided only at the time of final modification statements. Usually grants are sanctioned only towards the end of the financial year. Besides, as the scheme is included in the accelerated programme of execution with Central Assistance by way of loan and as the Government of India would be sanctioning loans for the purpose, it is for the Government to decide whether any grant should be given this year or whether loans in lieu of grant only need be sanctioned as in the case of certain schemes was done during last year (1954-55).

3. It is however seen that as against an unspent balance of Rs.5.39 lakhs at the end of 1954-55, the expenditure upto 30-9-55 is Rs.7.09 lakhs apart from an expenditure of about 2.00 lakhs on pipes. As some more expenditure will be incurred in the next few months before the grat or loan in lieu of grant is sanctioned and drawn an interim grant of Rs.5.00 lakhs may be sanctioned for this scheme. The balance amount required from Government for the current year for a total expenditure of Rs.20 lakhs (to be revised if necessary at the time of final modification) may be sanctioned as grant and loan or exclusively as loan only as the Government may decide at the time of final modification.
